

# Potent CEO, Check Yourself Chapter 1 To 2

---

## Chapter1

“Ah ...” A mournful scream tore the tranquil night sky of the school. With that cry, Zhong Wanqiu turned around and ran in panic. Tears welled up in his eyes. The scene that he had just witnessed had completely torn her heart apart.

Xia Jingxuan.

Jin Ruxue.

It was a gorgeous and lovesick kiss.

However, Xia Jingxuan had always been her boyfriend. Everyone knew this.

But now, everything had changed. Not only did Xia Jingxuan and Jin Ruxue hug each other, they even ... And kissed.

“Late autumn ...” When he heard Jin Ruxue’s voice, Xia Jingxuan subconsciously let go of Jin Ruxue and chased after Zhong Wanqiu.

The sounds of Xia Jingxuan’s footsteps rang out beside his ears, pounding heavily on his heart in the late autumn. It was actually that painful.

No, she would not let him catch up to her. Now, she would not let him touch a single finger of hers.

He had cheated her, once, he had told her that she was his only favorite, but he had actually taken her behind his back and dated her at the place where she used to date him.

In her heart, she was laughing bitterly. He must have thought that she had gone home to teach, yes, she had really gone, but when she rushed to the student’s house, she discovered that her student had gone to see a movie with her parents, and only then did she realize that there was an unopened text message on her phone. It turned out

that her student had already informed her that she was in too much of a hurry to look at her phone after school and hadn't found it.

She had also told Xia Jingxuan about her tutoring.

If not for that scene just now, how could she have clearly seen a person?

Xia Jingxuan and Jin Ruxue.

The road in front of him had already become blurry, and running at such a high speed had already attracted the attention of a few people on campus.

But what did it matter here?

She really didn't care.

She only wanted to stay far away from Xia Jingxuan. Otherwise, she felt that the air around her would be filthy.

She rushed out of the school gate. She didn't even know where she got her speed from, but the long-legged Xia Jingxuan wasn't able to catch up to her.

It was strange, however, that it wasn't too late yet. According to the customs of the T city, people should have just eaten dinner. There should be a lot of taxis, but there weren't even a single car on the street.

"Late autumn ..."

Xia Jingxuan's voice was getting closer.

In the end, she saw a car, but it was not a taxi.

No matter what car it was, she would get on it. As long as she could get away from Xia Jing Xuan, it would be fine. She didn't want to hear any of his explanations.

She shifted her body and made a parking gesture. Without thinking, she stood in the middle of the road, right where the car was about to arrive.

“Crack ...” With a loud crash, the sound of the brakes shook the eardrums of those who heard it. The windows of the car were instantly rolled down, and a cold voice shouted towards the late autumn, “Go away, you can’t hit my car even if you want to.”

That voice was magnetic and pleasant to the ears, and did not match his ice-cold tone at all. However, all of this did not matter. In the evening autumn, he rushed to the front of the passenger seat without any hesitation and said, “Open the door, I want to get in.” It was as if the car was her private car.

The man shook his head disdainfully, “Crazy.” After he finished speaking, he ignored her and directly backed away the car, preparing to avoid her and directly leave.

There were still no other cars on the road, as if the car was there to save her.

Behind him, Xia Jingxuan’s loud and clear voice rang out, “Late autumn, don’t go. I have something to say to you.”

Hearing Xia Jingxuan’s voice, she didn’t know where she got the courage to do so, but when she saw that the car was reversing, she jumped onto the hood of the car with one hand clutching the headlight. She had to leave, no matter what, she couldn’t let Xia Jingxuan catch up to her.

“Shit! “He really is crazy.” The man frowned. The disdain on his handsome face grew even stronger. He glanced at Xia Jingxuan, who was chasing after him, and asked her, “Who is he to you?”

## Chapter2

“Shit! “He really is crazy.” The man frowned. The disdain on his handsome face grew even stronger. He glanced at Xia Jingxuan, who was chasing after him, and asked her, “Who is he to you?”

The man confirmed with her again. It seemed as if he would help her if she confirmed with him. It was the sudden feeling of Zhong Xiuqiu, and she felt that he would definitely take her away.

“My old boyfriend.” Zhong Wanqiu emphasized the word ‘used to be’. It was weird that she should have been so angry just now, but now, when

she looked at the man's face, she suddenly became calm. She spoke in a low voice, with no trace of emotion in her voice.

"Well, he's not your boyfriend anymore, is he?"

"Yes." She didn't hesitate. She would never be Xia Jingxuan's girlfriend again, never in her life.

"Okay, then I'll take you away, but only if you never turn back."

"OK."

Before she could finish her sentence, she felt that the man's arm was handed out of the car window as if it was magic. Then, he forcefully pulled her into the car through the narrow window.

In an instant, Zhong Wanqiu was sitting on the man's lap. His springy and firm thighs reminded him of a word: sexy.

The man had one hand around her waist while the other was already swinging the steering wheel. At almost the same time, the car shot off like an arrow out of the T's school gate and away from the chasing Xia Jingxuan.

She didn't turn around, but her gaze could see the scene of Xia Jingxuan crazily chasing after her in the reverse mirror.

But she and he were finished.

The moment she saw him embracing and kissing Jin Ruoxue, it was all over.

Perhaps the fates between people would only come to fruition after a long period of time, but if it was fate between people, it could be completely frozen in an instant. From then on, it was like a foreign path.

"Woman, where are you going?" The sound of the wind was still in his ears as the man yelled at her.

"Anywhere."

"Then I'll take you to get a room."

“OK.” She answered without thinking. Her thoughts started to go crazy, and her heart, which had already calmed down, started to go crazy again.

She used to like Xia Jing Xuan so much that she liked every guitar he played, so much that she gave him a nickname: Jitta Wizard.

Perhaps, he was like a Magus that had bewitched her and made her fall in love with him, but he had also just completely hurt her.

Ah, no, she could no longer think about him. She could no longer think about him, because he did not deserve it.

She really just said it casually, but then the car slowed down, and when she came back to her senses, she realized that the man’s car was parked in a parking lot, and that on one side of the parking lot was the bright neon lights of the Keyes Hotel.

A world of gold and paper.

When she finally regained consciousness, she discovered that the hand of the man on her waist had never left her. He had always been driving with her in his embrace.

She turned her head and realized that he was a stranger to her. “Tell me, who are you?”

“Cold Mourning.” After saying that, the man suddenly bent his head down and tightly wrapped his two powerful hands around her waist. At the same time, a handsome face slowly descended on her. His thin lips carried a hint of enticement, causing Zhong Wanqiu to forget about opposing it and fall on her.

Her heart skipped a beat when she heard the soft, damp, and manly voice. No matter what she did, she couldn’t calm down.
